

# Housing Help Services Certificate

## Toronto Homlessness Workspace

The Housing Help Services Certificate (HHSC) is a comprehensive professional development certificate that provides skills and competencies to housing workers in order to serve clients more effectively within the housing and homelessness sector. Staff completing this certificate will benefit from up-to-date training in this specialized, housing-focused, area of service delivery.

- The current series runs February 12th to March 16th, 2020
- Consists of six days of training, one day per week, 9:30am - 3:30pm.
- Costs \$450 per participant to register
- Training is delivered at locations in Toronto

### Registration is now open!
