

EarlyON Child and Family Centre

FROM MATH TO ART

Materials:

- pencil
- crayons
- scissors
- glue
- construction papers
- shaped items for tracing (round lids, blocks, etc.)

Method/ Instructions:

1. Encouraging children to trace and cut the basic shapes in the story: Triangles, squares, rectangles, circles
2. Asking children for picture ideas they would like to create
3. Creating pictures and show the Pictures with the group

Extension of the Activity

- Pre-line for children to tear out the shapes if cutting is yet ready
- Give some hints from Mouse Shapes story when needed
- Practice cutting and tearing
