

FINE MOTOR

Activity: Cut and Paste Collage Art

Materials: Children size scissors, paper materials, glue or flour paste (mixing water and flour)

Objective: Practicing cutting and pasting to create a picture from children's selection

Extension: Practicing tearing paper with simple design without scissor by fold mark (I.E: Straight line and shapes)

GROSS MOTOR

Activity: Walking Around Obstacle Course

Materials: Using boxes, water bottle, etc. to set up an obstacle course

Objective: Practice walking around or stepping across/over each obstacle

Extension: Holding an object (ball) while walking and drop in a basket when finish. Adding music can be fun!

LANGUAGE

Activity: "I see a..., what do you see?"

Materials: Objects you would like your children to learn

Objective: Label the objects you see and encourage children to participate (I see a chair, what do you see?)

Extension: Label the objects or living things; describe more attributes according to the child's age appropriate

SENSORY

- Activity:** Outdoor Water Play
- Materials:** Water Bin, small cups, sponges, water toys, towel, sunscreen
- Objective:** Playing with water outdoor and have fun
- Extension:** Add some items that can sink and float for science fun learning.

Activity: Grouping Shapes

Materials: Using baskets or bins (Put shape stickers as samples in baskets for younger children)

Objective: Asking children to find different shape objects and put in the designated baskets.

Extension: Grouping objects into 2 groups with soft and hard textures

Activity: Story Time- The Kissing Hand

Materials: Reading book: The Kissing Hand or watch online www.storylineonline.net/books/kissing-hand/

Objective: Reading or watching the story online about young children start going to school, together.

Extension: Encourage children to talk about their feelings and reassure them with the supportive

NUTRITION

Activity: Balsamic Bruschetta

Materials: French bread, tsp-balsamic vinegar, olive oil, parmesan cheese, tomatoes, Garlic, basil, salt & Pepper

Objective: Children can help to mix ingredients together and spread on bread slices

Extension: A quick toast for 10-15 minutes for better texture and taste.
